Date: July 24
Time: 3:00 a.m.
Location: Mesa Street

EL PASO, TEXAS: On Sunday morning at 3:00 a.m. TX DOT will be closing I-10 East from Sunland Park to Executive and traffic will be diverted onto Mesa. According to TX DOT, anticipated re-opening will be 5:00 a.m. Monday morning. During that time there will be 27 officers assigned to assist with traffic control along the stretch of Mesa between Sunland Park and Executive. Regardless of the number of officers, traffic congestion along all of Mesa St. will be inevitable. Intersecting streets will consequently be affected as well. Motorists should expect that Doniphan will also be affected. The El Paso Police Department is asking the public to plan accordingly and curtail unnecessary travel along those routes during those times. Please refer to TX DOT's Go 10 Project website for details on closures.
